

## Questex's Spatec Europe, Europe's Leading Hosted Buyer Event for the Spa and Wellness Industry, Set to Take Place September 20-23 in Portugal

**NEW YORK, May 25, 2022** – Questex's [Spatec Europe](#), Europe's leading hosted buyer event for the spa and wellness, takes place September 20-23 at the Anantara Vilamoura Algarve Resort, in Portugal.

Spatec Europe brings together Europe's most important spa operators from leading medium-to-large hotel resort, destination, athletic, medical and day spas to meet with global suppliers to participate in a series of one-on-one meetings over two dedicated business days.

Throughout the event, suppliers meet spa owners and operators during meals and other planned networking activities. This fosters communication and cross-sharing of ideas, best practices, and future business relationships.

Jill Birkett, Vice President, Questex Wellness, organizer of Spatec Europe said, "Bringing the European spa and wellness industry together to discuss common challenges, get unique insights about where the industry is heading as well as build and foster relationships in an environment conducive to business decisions is what Spatec Europe is all about. With unlimited networking opportunities, including a minimum of 16 one-to-one appointments, activities and receptions, the ROI suppliers will generate, and the experience buyers will experience is unparalleled. We're creating a fantastic event for the spa and wellness industry at the gorgeous Anantara Vilamoura Algarve Resort in Portugal."

Here's what attendees had to say about Spatec Europe.

- "Spatec is a 'must' for both Suppliers & Buyers to keep informed and ahead of the latest products and technologies. The perfect networking opportunity to meet colleagues and 'talk shop' in a beautiful 5\* hotel & setting," said Mary Bell, UR Beautiful
- "As a wellness expert working on a number of high-end projects throughout the UK, being able to mix work with pleasure at Spatec not only made for easier business discussions (and subsequent orders!) but also allowed us time to get to know the people behind the business and to make deeper connections with some frankly amazing people, which then opens up other opportunities for business. The organisation of the event, venue, schedule of activities along with the exceptional support of Spatec team make the commitment to attend an easy decision to make when building the annual work calendar. Spatec is a must for all serious buyers & operators with no other event coming anywhere near close to what they are able to deliver," said Lisa Barden, BARDEN SPA Ltd & Vice Chair UKSA
- "I think this is the best bet working event of the Spa calendar, always great buyers and suppliers and well run and always great fun!," said Sara Last, Aromatherapy Associates
