CONFERENCE

Dear IECSC Florida Exhibitors,

Please take a moment to read through the exhibitor manual. It contains important and cost saving information that will save you time and money! You will find all the necessary forms and contact information to ensure a smooth move in process. Please note we call special attention to the shipping procedures below. More information can be found in the shipping section of the manual.

We are pleased to inform you that EES is the official contractor of the upcoming IECSC being held October 9-10, 2022, at Palm Beach County Convention Center, Hall A.

Shipping Information

Below you will find some important information that you will need to know before shipping your materials for this show.

It is imperative that you review the shipping procedures in the show manual. Due to the nature of this show, EES will bill your material handling in a very specific way. This exhibitor manual provides you with this important information. However, if you do not understand or need further clarification on any of our procedures, as well as any other information about this show please do not hesitate to call a EES Exhibitor Services Department at 201-300-2782.

Shipping of materials:

Your materials will be charged on a round-trip fee. Any discrepancies with the weight of your materials must be addressed at show site. No adjustments or credits will be issued by EES after they have left the show.

Certified Weight Tickets and a Bill of Lading are required for all shipments.

Please see the EES Shipping Section of the manual for more details and labels.
