FOOD AND BEVERAGE PRICING

A good faith estimate of food and beverage prices will be provided 6 months in advance of the event's start date and will be confirmed at the signing of the contract. However, certain environmental factors may affect pricing such as the Nevada drought. Prices are based on current market availability and cost, which fluctuate and are subject to change. Your catering manager will work with you to make product substitutions due to any of the above listed scenarios, or any other scenario which dramatically affects the price of the food and beverage for the event.

SERVICE CHARGES AND TAX

A 19% service charge will apply to all food and beverage charges. Current state and local sales taxes apply to all food, beverage, labor charges, equipment rentals and service charges, and are subject to applicable tax laws and regulations.

A service charge of 19% is added to your bill for this catered event/function (or comparable service). 19% of the total amount of this Service Charge is a "House" or "Administrative Charge" which is used to defray the cost of set up, break down, service and other house expenses. 90% of the total amount of this service charge is distributed to the employees providing the service as a gratuity. You are free, but not obligated, to add or give an additional gratuity directly to your servers.

General Information

The remaining balance will be due 5 business days prior to the start of your event. The balance and any additional charges incurred during the event, is required within 15 days following receipt of the final invoice. Additionally, any costs of collection and enforcement of the contracted services will be the responsibility of the customer. The preferred method of payment is by wire transfer or company check. In addition, we require a credit card on file for all onsite orders and additional charges.

ALCOHOL

As the exclusive provider of alcoholic beverages at the Las Vegas Convention Center and Visitors Authority, we take very seriously the need for responsible and lawful consumption of alcohol and we ask that you do the same.

All hosted bars are based on consumption, unless otherwise contracted. For hosted bars, a guaranteed minimum sales threshold of \$650(++) per bar per four hours is required.

For retail bars and ticketed/retail bars, a guaranteed minimum sales threshold of \$950(+) per bar per four hours is required.

For ticketed bars, a guaranteed minimum sales threshold of \$650(++) per bar per four hours is required.

All bar services lasting more than four hours will incur an increased minimum sales threshold. If the minimum guarantee is not met, you will be charged the difference between the consumption and the minimum guarantee. The requirements and expectations of any customer with regard to the service of alcoholic beverages at the Las Vegas Convention Center and Visitors Authority are as follows:

- As a host of all users of your booth or meeting room, you are responsible for the appropriate and lawful consumption of alcohol by your guests. You must ensure that all guests who consume alcoholic beverages in your booth or meeting room are at least TWENTY-ONE (21) years of age or older. We urge that you check proof of age, such as a driver's license, to be certain. In our operations, we follow a policy requiring proof of age from anyone appearing to be under the age of 30. We recommend you adopt a similar policy for your booth or meeting room.
- All alcoholic beverages must be consumed within the booth or meeting room. NO alcohol can be removed from the Las Vegas Convention Center and Visitors Authority at any time.
- The consumption of alcoholic beverages by intoxicated guests, or guests appearing to be intoxicated, is prohibited.
- All spirits must be served by our catering personnel.
