<u>Hand Carry Move Out</u>

- **Warehouse freight is moved in first.** Freight sent directly to the Show will be received on a first come, first served basis.
- **All exhibitors and exhibitor-appointed contractor personnel must have a badge.** Badges are available for pick up during posted registration hours. **We must receive your insurance certificate and all outstanding balances paid before any badges will be distributed.** Badges are not transferable. Each exhibitor must pick up his/her own badge.
- Exhibitors arriving after the posted set up times **WILL NOT** be allowed into the hall and must return the next morning. Those in the hall at the end of official posted time may remain to finish work in progress, but for security reasons, once you leave the hall, you cannot return.
- **All exhibits must be fully installed during the published Move in times ONLY.** Those exhibitors who have not arrived or made set up plans by this time will either have their booths erected by show management at prevailing rates, or the exhibit will be removed from the floor.
- All crates and boxes must be labeled empty and ready for removal by the published time on the Show Schedule.
- **Bring copies of your orders** (labor, electrical, carpeting furniture, etc.) with you to the show to avoid discrepancies. Bring any billing issues to the attention of the vendor and Show Management immediately.
- **Tables and chairs must not be removed from booths in which the decorator has placed them.** In the event that you ordered furniture, and none was delivered, notify the desk personnel at the Exhibitor Service Desk at once. Do not move the furniture from a neighboring booth into yours. If furniture was delivered to your booth but none was ordered, please notify the desk personnel at the Service Desk at once. Do not remove the furniture yourself. If you didn't place a furniture order and "borrow" furniture from a neighboring booth, you will be charged for the furniture once it is in your booth.

Move-Out

No exhibitor is permitted to dismantle a display before the close of the last show day. Dismantling of an exhibit prior to the close of the show will result in compromising the exhibitor's position in any future Questex Events.

All exhibitors are responsible to complete a bill of lading and return it to the Decorator Service desk. The returning of crates and packing materials precede the loading of outbound freight. All freight must be removed from the exhibit hall by published move out times on the Show Schedule. Freight arrangements must be made to comply with this deadline. Show Management will make shipping arrangements for any remaining freight, to be returned to the best available address on the official show carrier at prevailing rates.

An Exhibitor's Service Desk will be located in the back of the exhibit hall. The service desks will be open during move in, the show and move out.

Although we do our best to deter theft, Show Management is not responsible for lost or stolen items. **Security for individual booths and their contents is the responsibility of each Exhibitor.** Exhibitors in need of individual booth security should contact DTA Security Services directly at 702-650-2298.

All Exhibitors and booth personnel must have Exhibitor Badges in order to have access to the Exhibit Hall. Badges are not transferable. Exhibitors will have access to the exhibit hall one hour prior to the opening of the show and ½ hour after the show closes each show day. **DO NOT SCHEDULE APPOINTMENTS WITH ATTENDEES ON THE SHOW FLOOR PRIOR TO THE SHOW OPENING OR AFTER SHOW CLOSING AS ATTENDEE BADGES WILL NOT BE ALLOWED ACCESS OUTSIDE OF SHOW HOURS**

Security Tips:

- If you have a product which you allow people to try out, be sure that each potential customer is supervised. To avoid theft, consider asking for a credit card or license as a form of deposit from people who you allow to demo your product. NOTE that 2021 protocols require either touchless sharing, or highly sanitized procedures before an attendee can touch or use a device which has been used or touched by others.
- Remove small items on a nightly basis.
- Hire a private duty security guard or rent a security cage.
- Have replacements available either on-site, at a local distributor or on stand-by at your office for overnight shipment.
- Do not list contents on outside of boxes (*e.g.: Box 1 - Personal Computer*)
- Carry a detailed list of what you ship, in which box it was packed and repack in the same manner. Keep a copy in your office and check your shipment when it returns.
