

NOTICE TO SHOW MANAGEMENT

DISPLAY, DISTRIBUTION, AND CONSUMPTION OF PRODUCTS CONTAINING CBD, MARIJUANA, OR TOBACCO

The Las Vegas Convention and Visitors Authority (LVCVA) welcomes you to the Las Vegas Convention Center (LVCC). Whether this is your first show at the LVCC, or you are a long-time partner, the LVCVA team is committed to assisting you so that you have a successful event as your exhibitors promote and distribute their products.

With the evolution of federal, state, and local laws regarding the display, distribution, sampling, and other consumption of CBD, marijuana, and/or tobacco products, the LVCVA provides the following policies and procedures for guidance and direction.

CBD (Cannabidiol)

No edible CBD products may be sold or distributed at the LVCC, including as free samples, regardless of the THC concentration of the products. Non-edible CBD products, such as oils and topicals, may not be sold at the LVCC but may be distributed or provided as free samples on the condition that they are not adulterated or misbranded in any way. The LVCVA encourages you, on behalf of your exhibitors, to consult with your legal counsel before allowing the distribution of non-edible CBD products. Smoking CBD products at the LVCC is strictly prohibited and violators will be trespassed from the LVCC property.

Event management must actively monitor and prohibit the sale of CBD products, as well as the distribution of edible CBD products, at the LVCC by its exhibitors and show attendees. Failure to comply with this requirement shall constitute grounds to close the show and terminate the lease.

Marijuana (THC)

No marijuana products, including flowers, seeds, concentrates, topicals, or edibles, may be sold, displayed, or distributed, including as free samples, at the LVCC. Smoking or consuming marijuana products at the LVCC is strictly prohibited and violators will be trespassed from the LVCC property.

Event management must actively monitor and prohibit the use, sale, display, or distribution of marijuana products at the LVCC by its exhibitors and show attendees. Failure to comply with this requirement shall constitute grounds to close the show and terminate the lease.

Tobacco

No cigarettes, smokeless products made or derived from tobacco, or any alternative nicotine product may be sold or distributed, including as free samples, at the LVCC.

For events open to the public, smoking tobacco products in any form including, but not limited to, cigarettes, cigars, pipes, and electronic smoking device, at the LVCC is strictly prohibited. Violators will be trespassed from the LVCC property.

For those events that are not open to the public, which are produced or organized by businesses relating to tobacco or a professional association for convenience stores, and which involve the display of tobacco products, the LVCVA may permit exhibitors, presenters, and attendees to smoke tobacco products at the LVCC but only with the LVCVA's express, written permission and only in designated areas of the LVCC as outlined in the lease agreement.

Event management must actively monitor and prohibit the unauthorized use, sale, and distribution of tobacco products at the LVCC by its exhibitors and show attendees. Failure to comply with this requirement shall constitute grounds to close the show and terminate the lease.
